Parents as Partners

Cooking is always a fun activity for children and parents. Rice Krispie Treats are simple and fun to make.

3 TBS Butter or Margarine (cannot use diet spread)

1 10 oz package regular size marshmallows

6 cups Rice Krispie Cereal

Directions:

In large saucepan melt butter over low heat, add marshmallows and stir until completely melted (mom or dad should do this)

Add Rice Krispies and stir until well coated-the mixture will cool to an easy to handle temperature then -

Using CLEAN hand (now this is fun) press mixture into a 13x9x2 inch pan which has been coated with cooking spray or butter
