Betsy Jones Child Development Center Staff of the Month!!

Lourdes Marzan-Smith

Lourdes came to us as we were just getting settled into our temporary location at the Lutheran Church. She moved from New York, and as her job search began, ECCDC was fortunate enough that she was led our way. She currently holds a BA degree in Liberal Studies, a Master Teacher Permit and serves in the capacity of Master Teacher here at the school. She not only fulfills the requirements of a PFA/MAAC Lead Teacher, but serves as supervisor in my absence.

Student of the Month!! Jessica Medina

Jessica is a vibrant part of the Betsy Jones Child Development Center. She is always willing to give staff members a hug, she is talkative in the room and is sure excited when she climbs on the play structure or in the sandbox. Jessica is very proud of the many ways she wears her hair and is overjoyed to show me all the colorful clips, bands and bows that adorn her pony tails. We are delighted she is here and hope she is around for quite some time.

Come Help Plan Winter Fun!

Parent classes are ready to begin again!! January's class is on the 18th from 5:30-7:00 pm in Wilson Hall. The topic will be **Effective Communication**. The PAC meeting is being held in the same location, on the same date, from 5:00-5:30, come join us for both!!

Child-care is provided for both events!!

All families are required to attend at least 2 parent classes each year, but are welcome to attend as many as they want. All parent classes are bilingual, and child-care, with light snacks is always provided.

Parents as Partners

Cooking is a fun activity for children and parents. Rice Krispie Treats are simple and fun to make.

3 TBS Butter/Margarine (can't use diet spread)

1 10 oz pkg. regular size marshmallows

6 C Rice Krispie Cereal

In large saucepan melt butter over low heat, add marshmallows and stir until completely melted (mom or dad should do this)

Add Rice Krispies and stir until well coated- the mixture will cool to an easy to handle temperature then -

Using CLEAN hands (now this is fun part) press mixture into a 13x9x2 inch pan which has been coated with cooking spray or butter
