To whom it May Concern:

Hello my name is April Flores
I am a single mother of two
boys and my kids attend a
daycare Escondido Community
Child Development Center (ECCDC).

I am writing you this letter
in regards to getting funding
for ECCDC. They are a non-profit
child care center.

They had an anonymous donor
give them 100,000 dollars only
if they can match that. I believe
they have raised 89,000.

I am asking help from you to
support them in any amount would
be great.

As a single mother daycare for
2 kids is well over a 1,000 dollars
a month. I would never be able to
afford this.

When I had my first son Joseph
I had no childcare for a year and
half, I had to work at night
part time to pay a teenager a little
money so I can make ends met.
When I found ECCDC they took
my son in for a couple months
for free until I obtained full

time employment. Once I found full time they only charged me \$7 a week. This was huge. When I had my second son Alex they took him in as well. They only charge me \$2.00 a week for two kids.

I am able to work full time and attend school part time because of this childcare. I am trying to better my education to better my job. I would not be able to do this without ECCDC.

I live and work in Viste, but I drive 2 times a day to Escardido even with gas expenses its still affordable.

When I am at work, the best feeling in the world is to know that my kids are okay. They have the most amazing group of women that teach them to grow well and exceed in Kindergarten.

I like that I am able to have a little extra cash to take my kids out, and not live paycheck to paycheck barely making ends meet. If you can help I would be forever grateful, you would be helping me and 100's of other single mothers.

Thank you, April Flores
